

CUSHION TRACK™ PREMIER

Our world-class racing and competition surface

Cushion Track™ Premier is our premium equestrian surface, designed for use in racing and competition centres.

Constructed with a unique blend of multi-washed silica sand and environmentally-friendly synthetic fibres, our Cushion Track™ Premier is highly durable and designed to withstand continual daily use and very heavy footfall, in all weathers. As a waxed surface, it requires minimal maintenance, making it the stand-out choice for businesses and professional riding grounds.

Providing excellent cushioning and high levels of shock absorption, the Cushion Track™ Premier supports freedom of movement and provides security for turns at high speed.
